Re: Christine Keys 2004 Hyundai Accent

Gentlemen:

This office has been retained by Ms. Keys regarding an accident that occurred on June 4, 2006 involving their 2004 Hyundai Accent. Ms. Keys vehicle was hit by a 2002 Dodge Stratus and at the time of impact Ms. Keys **airbags did not deploy**. The damage to the Accent was so substantial that this vehicle was declared a total loss by the insurance company.

As a result, this office has hired airbag experts who have determined that the air bags should have deployed but failed to do so. Therefore we will be submitting a demand for damages and injuries suffered by our client.

Ms. Keys was injured so severely that she had to be transported to University Medical Center Trauma Hospital.

We have preserved the evidence of this vehicle for your investigation. Please contact this office immediately upon receipt of this letter so that we can discuss this matter further.

Very truly yours,

G. DALLAS HORTON & ASSOCIATES
